President William B. Langsdorf

From the early days of 452 students in the early 1960's to the present enrollment of 15,000 students, William B. Langsdorf has been the president of California State College, Fullerton.

Prior to coming to CSF he was the President of Pasadena City College (1950-59). In addition, President Langsdorf has been a visiting professor at Harvard University and also at the University of California at Los Angeles.

President Langsdorf believes that in order to have a fine education system you should have one that excels in many areas. At California State College, Fullerton the academic programs have reached excellence in many areas and will be continuing forward to attain even higher goals.

In addition to the other achievements of CSF, the College has made a great deal of advancement in the areas of speech, drama, art, and music. Speech and the Fine Arts have been an integral and necessary part of the college atmosphere here at Cal. State.

Athletics at the College have come a long way in the past few years. We now, with the advent of intercollegiate football, have twelve intercollegiate men's sports and four women's sports. President Langsdorf has been a strong supporter of the athletic program here at Cal State Fullerton.

Besides his duties here on the Cal State campus, President Langsdorf belongs to many organizations for the betterment of the College and the community.

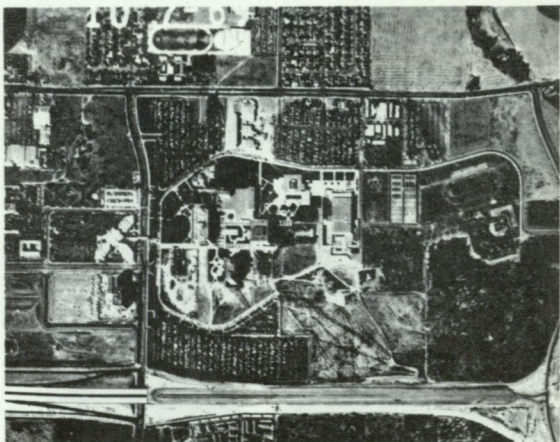

History of CSF

California State College, Fullerton opened its doors for classes in the fall of 1960. The first permanent building erected on campus was the Letters and Science Building in 1963. In the following year, 1964, the Music-Speech-Drama building was completed, and in 1965 the Physical Education building was completed and ready for use. In 1966 the Library was completed as was the Commons in 1967 and the Humanities-Social Science building and the Art Center in 1969. Completion dates on other buildings includes: the Administration building in 1970, Engineering building in 1971 and the Education building 1972.

Prior to the time of these permanent buildings, classes were held at the Sunny Hills High School, the administration offices were leased from and operated out of the Fullerton Union High School for the 1959-60 school year.

During the first ten years of existence, California State College, Fullerton has grown from 452 students to over 11,000. In the fall of 1970, there will be approximately 15,000 students on the campus. Enrollment is expected to surpass 30,000 students in 1978 and 35,000 students by 1980.

The development of California State College, Fullerton has been closely supervised by President William B. Langsdorf. President Langsdorf and the faculty and staff are proud of Cal State's high standard of excellence in the academic field. California State College, Fullerton offers Bachelor Degrees in 30 courses of study and Masters' Degrees in 23 special fields of study.

Director of Athletics

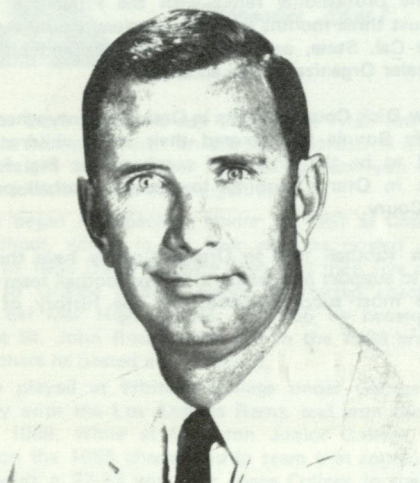

Dr. John Caine

For the past several football seasons I have noted each weekend the well lit football stadiums hosting literally thousands of the great Orange County football fans and I have dreamed of the time when the Titans would come pouring out from their locker room prepared to play the outstanding teams on their schedule. Finally fantasy becomes reality—the time is now.

Orange County, the center of the best schoolboy football in the United States, has its four year team. Fans will now have an opportunity to follow a boy from Pop Warner to Jr. High to Sr. High to Jr. College and now thru the final pages of his football career.

To lead the first Titan team we have been fortunate to bring back one of the truly outstanding coaching names in the history of Orange County football—Dick Coury. After working with Coach Coury for over a year now, seeing his organizational skills, his professional relationship with his excellent staff composed of Joe O'Hara, Dave Jordan, Dallas Moon, Jack Stovall, and Bill Redell and most important, observing his keen sense of integrity and impartiality with his student-athletes, I can only make one prediction to Titan followers in this first season—This team will play representative football!

The 1970 schedule is challenging to a first year football program, but the coaches and players know that you fans are behind them—You have always supported good football!

Meet the Titan Staff

*Head Coach
Dick Coury*

Dick Coury becomes the first Head Football Coach in the history of Cal. State Fullerton.

A graduate of Notre Dame University in 1951, Coury began his coaching career at the high school level in 1953 at Mater Dei High School in Santa Ana, California.

In his nine years as the head coach at Mater Dei he won seven league championships, including C.I.F. Crowns in 1957, 1960, and 1965. In addition to his feats on the field, Dick Coury has become one of the most popular and best respected football coaches in Orange County. This has enabled him to do a truly outstanding job in the area of recruiting throughout Orange County in particular.

Following the 1965 season Coury was asked by John McKay to join the Trojan staff as the defensive coach. Coury enjoyed three excellent years at U.S.C. before moving into the professional ranks with the Pittsburgh Steelers. After just three months with the Steelers, Coury was sought out by Cal. State, and with the consent and blessings of the Steeler Organization he accepted.

Now Dick Coury is home in Orange County where he and his wife Bonnie have reared their seven children. "I am pleased to be the first head coach at the first four year College in Orange County to have a football program," stated Coury.

Now football fans in Orange County have the opportunity to support and watch a college football team coached by the most successful coach in the history of Orange County.

Assistant Coaches

Joe O'Hara
(Offensive Backs
& Receivers)

Coach Joe O'Hara, who comes to Cal. State via Mater Dei High School, will be coaching the offensive backs and receivers.

O'Hara came to Mater Dei in 1959 and coached the freshman team for two years before joining Dick Coury's staff on the varsity. Most recently O'Hara has been the assistant principal and athletic director at Mater Dei, in addition to his teaching and coaching duties.

Since coming to Southern California for his education from his native Atlantic City, New Jersey, Coach O'Hara has earned a truly fine reputation as a fine football coach and outstanding citizen.

Joe, his wife Lenore, and their eight children reside in Tustin. The O'Haras have made Orange County their home since Joe went to Mater Dei.

In addition to his being a coach and teacher O'Hara has been appointed Assistant Athletic Director and Facilities Coordinator.

Dave Jordan
(Offensive Line)

Coach Dave Jordan is not simply the Titan line coach, but he is the strong man on the staff. Jordan is in charge of the weight training (One look at him and you will see why), in addition to his coaching duties.

Dave began his coaching career in 1961 at Chowchilla High School, where in his first year he posted a 8-0-1 record. In 1963 Dave, his wife Jean, and their five children moved to Orange County where he started coaching at Corona del Mar High School. In 1966 he became head coach at St. John Bosco High and in the 1968 and 1969 seasons there he posted a 17-4 record.

Dave played at Whittier College under George Allen, presently with the Los Angeles Rams, and won the league title in 1959. While at Compton Junior College, Jordan played on the 1955 championship team that concluded it's season with a 27-13 win over Jones College in the Junior Rose Bowl.

Assistant Coaches

Dallas Moon

(Defensive Backs)

Coach Moon will be the defensive coordinator this year for the Titans as well as defensive secondary coach. He has had a great deal of coaching experience prior to his arrival at Cal. State, Fullerton.

Since graduating from Long Beach State, Dallas has coached at Servite High School, Compton Junior College, Downey High School, and Pius X High School, where he won the Catholic League crown in his first year.

However, Moon comes to Cal State via Cerritos Junior College, where he played quarterback and defensive halfback during his own playing career. In high school Moon played on two CIF Championship teams. 1956 and 1957—Downey High School. While playing at Cerritos he won All-Conference and Junior College All American Honors. From Cerritos Moon went on to Long Beach State where his play won him all conference honors plus being named to the Associated Press All-Small College Team.

Coach Moon, his wife Dorothy, and their two sons now reside in La Palma.

Bill Redell

(Quarterbacks)

Coach Redell comes to Cal. State, Fullerton directly out of the Canadian Football League. Redell most recently was the quarterback for the Calgary Stampeders. Bill spent his rookie year with the Los Angeles Rams. In Canada Redell was known as an all-around quarterback who could both run and pass. He played his prep football at San Marino High where he was the CIF player of the year in 1958.

This year Redell announced his retirement from professional football to embark on a new career for himself—College Coaching. Coach Redell is a welcome addition to Coach Coury's fine, young staff, and should be able to relate his vast experience to the Titan Quarterbacks.

Coach Redell, his wife Cheryl and their two children have taken up permanent residency in Mission Viejo.

Assistant Coaches

Jack Stovall
(Linebackers)

Coach Jack Stovall will be in charge of the defensive ends and linebackers for the Titans this fall.

He graduated from Arizona State University in 1957 after playing four years under Dan Devine who is now the head football coach and athletic director at the University of Missouri.

Coach Stovall is an experienced coach having returned to his alma mater to coach prior to his accepting the position at Cal. State, Fullerton. In addition to his coaching duties, Jack travels scouting for the New Orleans Saints and he also manages a chain of family owned hotels.

Since the Stovall family is so well known in Orange County, Jack's importance in the area of recruiting cannot be over-emphasized, Jack is a welcome addition to the new Titan football staff.

Farley Day
(Defensive Line)

Coach Day began his coaching career at Stanislaus, Bay St. Louis, Mississippi, and represented his conference twice in bowl games—The Shrimp Bowl and the Dairy Bowl.

Locally, Day has coached at Pomona Catholic High School, and in 1957 took his team to the CIF Championship game and lost to San Marino High, quarterbacked by another Cal. State assistant Bill Redell.

Coach Day is a veteran of World War 2 and was the recipient of the Purple Heart and the Bronze Star with an Oakleaf Cluster—He served with the 25th Infantry Division in the Pacific.

Presently Day runs a sports camp for young people during the summer, and is quite anxious to return to coaching football—He will be coaching the Defensive Line for the Titans.

Farley and his family now reside in Pomona, the headquarters for his summer camp.

Behind the Scenes

Another first at Cal. State, Fullerton this year is the position of Sports Information Director. Bob Bowser, who is the new SID at Cal. State, comes here via the Sheraton Beach Inn, Huntington Beach, California where he was the Director of Sales and Public Relations.

Bob graduated from the University of Oregon in 1968, and he is also a native of Southern California. Bob attended Inglewood High School and Santa Monica City College for one semester. He also worked on the staff of the 1968 Catholic Big Brother Charity Football game.

Bob Bowser
(S. I. D.)

Besides 1970 being the first year for football at Cal. State, Fullerton, it will also be the first year that Cal. State will have a full time trainer. The Cal. State Trainer will be Jerry Lloyd. He graduated from Cal. State, Long Beach and received his Master's Degree here at Cal. State Fullerton.

Jerry began his training in the Armed Forces where he served as medic. He worked on a part-time basis at Cal. State, Fullerton last year, and previous to this he worked as the Assistant Trainer at Cal. State, Long Beach under Dan Arnheim. Jerry is married and the father of two children.

Jerry Lloyd
(Trainer)

Warren H. (Smitty) Smith has been the equipment manager at Cal. State, Fullerton for 6 years. Prior to coming to Cal. State "Smithberger" was the equipment manager at La Puente High School.

Smitty is retired from 30 years of service in the United States Marine Corps, where he served 10 years overseas covering the entire Pacific. He served as a photographer, in addition, to handling the athletic equipment for the various Marine Corps teams.

If and when he ever gets any time off, Smitty enjoys fishing and watching over his two Irish Setters—Mike and Brew Hilda.

Warren (Smitty) Smith
(Equip. Mgr.)

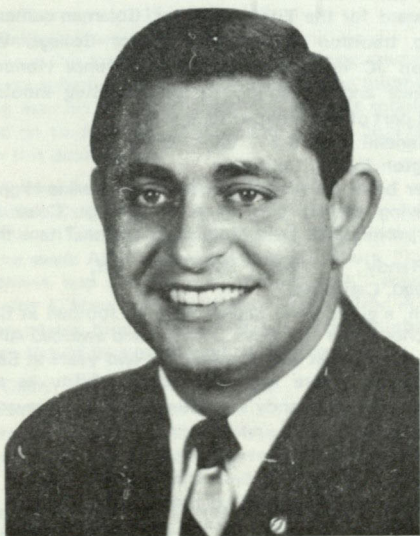

Titan Touchdown Club

Pat DiCarlo is the President of the Titan Touchdown Booster Club. The purpose of this club is to lend support and strength to the football program at Cal. State, Fullerton. The Titan Touchdown Club will meet every Tuesday during the season to watch the previous week's game films and hear from the coaches and players. (All interested parties are invited to attend.)

Pat currently heads his own firm, P. N. DiCarlo and Associates, which is a financial consulting business, together with land development and sales, with offices in seven states plus overseas operations in Sydney, Australia.

He was on the Pomona Catholic undefeated teams of '52, '53, and '54. Following high school, one year at Colorado and a transfer back to California, he was the starting fullback during Sacramento State's inaugural football season.

Pat received his Bachelor of Science in Business Administration from the University of Southern California in 1959. He is married to the former Mary Jane Read of Santa Ana. They have six sons and one daughter.

Thumbnail Sketches of the 1970 Titan Players

Quarterbacks

Ernst, Mike 6-1 190 19 Jr.
Downey, California

Mike, who started his football career at Pius X High School, has really come into his own as a quarterback and as a leader. Mike set all the passing records at Cerritos College, breaking previous standards set by Bill Nelson (Cleveland Browns), Gary Davis (Cincinnati Bengals), and Jerry Otterson (Orange County Ramblers). His career records include: 214 Completions, 3126 Yardage, and 27 Touchdowns.

Jaramillo, Chris 5-9½ 175 19 Jr.
Montebello, California

Chris is a real winner. He led East Los Angeles College to a conference championship as a freshman, and a second place finish as a sophomore. "Chris," says Coach O'Hara, "is an outstanding passer, as well as runner." Chris will add greatly to Cal. State's offense. His last years stats.: Attempted 130 passes, completed 71, for a total of 1378 yards and 13 touchdowns, and he ran for 7 more TD's.

Offensive Line

Wray, Jim 6-4 240 21 Sr.
Norwalk, California

Jim is the only senior on the TITAN squad. He transferred from Cerritos College where he made All-Metropolitan Conference Honors. Wray is married and an outstanding student, in addition to being a strong candidate for All CCAA Team.

Coleman, Greg 6-0 205 19 Jr.
Orange, California

A guard for the Titans this year, Coleman comes from a winning tradition at Fullerton Junior College. While at Fullerton JC he won All-South Conference Honors. With experience and his ability to achieve, Greg should be an integral part of the Titans offensive line.

Bass, Randall 6-1 225 20 Jr.
Huntington Beach, California

After being an All-League center at Marina High School and having played two years at Orange Coast College, Randy promises to be a great asset to the Titans this year.

Loch, Randy 6-0 210 19 Jr.
San Diego, California

Loch, a guard, who played his prep football at Crawford High School, was the Team Captain, and awarded All-League honors. Randy was also a starter for two years at San Diego Mesa College where he furthered his ability as a sound blocker. One of Randy's greatest assets, however, is his fine attitude.

Giesel, Ron 6-3 220 20 Jr.
Oceanside, California

Ron was awarded All-America Honorable Mention for his exceptional line play at tackle at Mira Costa Junior College. He was also All-State and his Team Captain at Mira Costa. An outstanding blocker with great speed and agility

12 his play should be a great plus for the offensive unit.

Thumbnail Sketches (cont.)

Offensive Line (cont.)

Weuve, Jim 6-3 210 20 Jr.
Santa Ana, California

This ex-Don will be playing tight-end for the Titans this year. Jim who made all Sunset League in high school, spent his freshman year at the Air Force Academy. After leaving the Academy he enrolled at Santa Ana College, where he also was an end. Jim has good size and speed for a receiver and the staff has high hopes for this boy.

Wide Receivers

Perry, Tyrone 6-1 190 19 Jr.
Compton, California

Tyrone will be one of the wide receivers for the Titans this fall. Tyrone is an alum of Centennial High School and Compton Junior College. He has all the assets for the making of a great receiver, including both good hands and great speed.

Rogge, Bruce 6-0 190 19 Jr.
Orange, California

When Bruce played for Orange High School he won both All-League Honors as well as the Times Player of the Week Award. Bruce is a transfer student from Orange Coast College where he played both offense and defense. Bruce had an excellent Spring Practice, and is expected to have a good year at wide receiver for the Titans.

Running—Backs

McLean, Terry 5-11 190 19 Jr.
Bakersfield, California

Terry is the kind of fullback who can be counted on in the short-yardage situations. He is one of the toughest, hard-working men on the Titan roster this year. He should also be counted on to do some blocking this year as he is rated very good in this department.

Gaeta, Leonard 5-9 190 20 Jr.
Long Beach, California

Len is a tailback from Woodrow Wilson High School where he made All-City and All-League Honors. "Lenny is a fine athlete and can do many things well," according to Coach Joe O'Hara. He has shown great ability in running, catching passes, blocking and virtually many phases of football. Len should be a great asset to the Titans.

Crum, Clem 5-8 185 22 Jr.
Fullerton, California

Clem is a local Fullerton Athlete. While at Fullerton High Clem won the Most Valuable Player on both the Football and Track Teams. He also attended Fullerton Junior College where he was a tremendous running back. This spring Clem showed flashes of his ability after a two year stint in the service. Clem has real break-away power and is a real offensive threat

Thumbnail Sketches (cont.)

Specialists

Hiatt, Craig 6-0 190 19 Jr.
Newhall, California

Craig will have one of the most important jobs on the entire Titan team this year—He is the Kicker. Craig will be handling all of the kicking duties including punts, field goals, and will also kick off. Craig started his football career at Sylmar High School, and later at Los Angeles City College, has kicked many field goals in the 40 plus range.

Defensive Line and Linebackers

Lee, Michael 6-3 215 20 Jr.
Whittier, California

Played his high school football at La Serna in Whittier. There he received All-League Honors in addition to The Athlete of the Year Award, and also participated in the 605 All-Star game. At Rio Hondo Junior College, Lee learned many of the skills at the defensive end position that should really be a "boon" to the Titan defense. According to Coach Moon, "Mike had an outstanding spring, and with his agility and speed should be a great defensive end."

Cruz, Gilbert 6-3 220 23 Jr.
Los Angeles, California

Gil came to Cal. State, Fullerton via East L. A. City College and Arizona State. He is big and strong, and with his size should be the anchor of the Titan defensive line. Cruz will be playing defensive tackle for the Titans.

Mount, Tyler 5-11 205 19 Jr.
Pomona, California

"Tyler is an extremely quick and agile individual," says Coach Jordan. Mount will be playing linebacker and he has a great deal of experience at that position, playing both at Mt. S.A.C. Junior College and at the University of Redlands.

Lacoste, James 5-7 210 20 Jr.
Long Beach, California

James, or "Buster" as he prefers, is one of the fine prospects from Long Beach. Buster missed much of our spring drills due to an auto accident. Fortunately, however, the coaches saw enough of him to realize he should be a starter somewhere on the defensive unit—Probably at middle guard or linebacker.

Sterling, Finch 5-11 185 20 Jr.
Newport Beach, California

Finch seems to have worked his way into a starting role at linebacker for the Titans. He was voted Most Valuable Player at Bolsa Grande High School in addition to making All-League. Before coming to Cal. State, Fullerton, Sterling played at Orange Coast College. There he was voted Most Valuable Lineman in addition to Team Captain, and All-State Junior College. Finch has impressed the Titan Coaching Staff with his agility and quickness.

Lingo, Tom 5-9 187 20 Jr.
Bakersfield, California

Fairly small as far as linebackers go, but he makes up for this twofold by his aggressive play and quick movement. Tom played all of his football in Bakersfield prior to coming to Cal. State, Fullerton. Both Bakersfield High School and Bakersfield Junior College. Tom seems to have established himself as one of the Titan team leaders. Married,

Thumbnail Sketches (cont.)

Defensive Line and Linebackers (cont.)

he wants to become a teacher and coach when his playing days are over.

Montoya, John 5-9 195 19 Jr.

Bellflower, California

John played his high school football at Pius X where he was All-League and Most Valuable Player. He continued his education and football at Cerritos College and was a starter for two years. He has been both an outstanding player and team leader, in high school, and junior college. John is married and has a son, John Jr., and is a Marine Biology major. He is a real asset to the Titans at linebacker or any other position.

White, Bob 6-2 225 20 Jr.

Orange, California

White played his high school football locally at Orange High School. There he won honors including: All-League, Most Valuable Player, All-County, and he played in the North-South Shrine Game. From there Bob went to Fullerton Junior College and on to Utah State. This year he is returning to Orange County and is a welcome addition to the Titan Football Team. Bob will be playing defensive right tackle and will be an integral part of the Titan defense.

Crtalic, Don 6-1 220 20 Jr.

Gardena, California

The Cal. State Titans consider Crtalic to be one of the fastest linemen around. He has good football experience at both Gardena High School and Harbor Junior College. Don was a regular at Harbor, however, he missed most of last season because of an injury. Look for him at defensive end.

Defensive Secondary

Jacques, Mike 5-11 170 19 Jr.

Santa Maria, California

Defensive coach, Dallas Moon states, "Jacques is one of the quickest secondary men around, and he will be depended upon to contain our opponents aerial attack." Mike is married and comes to Cal. State, Fullerton via Santa Maria High School and Hancock Junior College where he made All-Conference and was his Team Captain.

Vickers, Neil 6-1 194 20 Jr.

Santa Fe Springs, California

The coaching staff feels that Vickers has an excellent chance to be a starter for the Titans this year. Neil played his high school football at Santa Fe Springs High School and Junior College football at Rio Hondo. He has good height and speed for the defensive back position.

Buchholz, Dave 6-1 187 20 Jr.

Santa Ana, California

Dave comes to Cal. State from Colorado State University and will be playing safety for the Titans this year. He seems to have all the necessary tools for that position. The coaches have been impressed with Buchholz's desire and ability.

O'Dell, Danny 6-0 170 19 Jr.

Bakersfield, California

Dan played high school football at West Covina. There he was voted Most Valuable Player, and All-League Defense. He attended Bakersfield Junior College and was All-Metropolitan Conference. Dan is the leader of the Titan Defensive secondary. A transfer from Arizona State, O'Dell should have a great year in 1970 with the Titans.

Titans Take On a Major Power . . . Grambling College

California State College, Fullerton has scheduled two games with Grambling College, Grambling, Louisiana. This year the game will be played there; next year the Grambling Tigers will make one of their rare Southern California appearances by playing the Titans in Anaheim Stadium in the first game of the 1971 season. This is indeed a bold step for Coach Dick Coury and the Titans in their inaugural year. Coach Coury states, "In order to build a winning football program, you need this type of exposure and experience."

Grambling is coached by Eddie Robinson, an ex-quarterback at Leland College, Baker, Louisiana and has spent all of his coaching career directing the football fortunes at Grambling. He is also the Athletic Director.

Coach Robinson has won about every honor that can be bestowed on a coach. In spite of this, most of Grambling's success went unnoticed until the late 40's when one of Robinson's pupils, Paul (Tank) Younger was drafted by the Los Angeles Rams. This was the first time a professional football draftee came from a Negro college.

Robinson, in 28 full seasons at Grambling, has established a record of 185-70-11. He has also sent 70 Tigers into professional football with 35 on active rosters now.

SCOUTING REPORT

Coach Ray Anderson enters the 1970 season with an optimistic outlook. In addition to 26 returning lettermen, Cal Poly, Pomona has recruited 20 J. C. transfers who are experienced in their positions.

Also returning are two CCAA standants: John Wiegmann, who caught 37 passes for 618 yards and a 16.7 yard per catch average, and halfback, Al Clay, who carried the ball 151 times, gaining 493 yards, in spite of the fact that he missed three games. The Bronco's linebacker, Mike Gabel, middle guard, Mike Mendez, and defensive back, Evans Broderick, are all returning after an excellent 1969 season.

Some newcomers to the Bronco team this year are tailback Pat Quinn, fullback Pat Ward, guards Eugene De Carlo and Steve Purdue, and split end Phil Steffen.

SCOUTING REPORT

Southern Utah State is looking to a stronger team in 1970 than the 1969 team. Last year's team was the best in five years for the Thunderbirds but it lacked speed, size, and depth.

This year the Thunderbird roster will have more depth and size but they will still be lacking speed in their backs and ends. The Southern Utah State staff has had a pretty rough time replacing the eleven men who graduated from last year's team.

Some of Southern Utah's top players: Buck Paopao, All-Conference and a candidate for All-American at quarterback, and Scott Ackerman a defensive back where he made All-Conference last year.

Other top returning players are George Stephanos and Tex Anthays — running backs, and end Doug Berry.

SCOUTING REPORT

Coach Bob Shoup has produced 43 victories in the last 50 outings, and five years of national rankings. This year, Cal Lutheran, NAIA District III Champion with a 8-1 record in 1969, has beefed up its schedule, adding Cal Poly (San Luis Obispo), Cal State Fullerton and Sonoma State.

The Kingsmen do have reason for optimism as they have 11 of 22 starters returning from a team that outscored its opposition 214 to 107. All-Coast linebacker, Sam Cvijanovich, will be returning as will All-District defensive-end, Richard Kelley and middle guard, Jim Bauer.

The Kingsmen offensive line will have to be rebuilt around the center, Gary McGinnis and tackle, Reg Henry. Also the kicking game will again be one of Cal Lutheran's strong points. Bill Robinson, who sat out last season with an injury kicked 11 field goals (an NAIA record), 29 PAT'S, and scored 5 touchdowns for a total of 92 points in 1968.

SCOUTING REPORT

This year the Diablos will have fourteen returnees. They include All-Pacific Coast Athletic Association defensive back, Tyrone Fontenat, and the Diablos: top two running backs: fullback, Bob Brown, 6'3", 218 pounds who is a powerful type ballplayer and speedster and Gene Martin, a halfback. One half of all returnees are defensive backs.

Bob Enger a success at East L.A. Junior College, has moved to Cal State, Los Angeles, and he brought with him Foster Anderson, a defensive specialist who is also a top-notch recruiter. Enger replaces Walt Thurmond who spent one season at the Diablo helm. Thurmond has remained on the staff as an assistant.

Nov. 28	Cal State, Long Beach	8:00 P.M.

(All home games played at Birmingham Stadium)

SCOUTING REPORT

Coach (Leon) McLaughlin feels that the Matadors will be much swifter overall. The defensive backfield, receivers, and offensive backfield are greatly improved. Valley State's biggest problems will be to try and fill some spots in the offensive line.

Valley State will stick to the pro type defense and pro-set multiple offense in 1970 but there should be a great deal more emphasis on passing this season. For the past two years, Valley State has become a ball control club but with their new talent in the quarterback and pass receiving positions, the Matadors expect to put the ball in the air more.

Nov. 21	University of Nevada, Reno

(All home games played at Butcher Field—Las Vegas High)

SCOUTING REPORT

Head Coach Bill Ireland and his staff have thirty-one returning lettermen for their third team in UNLV history. If all the veterans stay in the same positions, the Rebels can claim to be returning nine offensive starters and eight more on defense. The Rebels have their entire starting backfield back from their 1969 team which had a record of 6-4. This backfield compiled 1740 yards, 26 touchdowns, and a 4.2 rushing average last year.

In addition to the 31 lettermen on hand, the Rebels' coaches have ten junior college transfers to evaluate for possible starting jobs.

After playing two years at Cashman field, the Rebels are waiting to get into their new stadium in 1971, and through local cooperation, they will be playing the 1970 season at Butcher Field (Las Vegas High School).

SCOUTING REPORT

In 10 years at Whittier College Coach John Godfrey has won eight SCIAC (Southern California Intercollegiate Athletic Conference) championships.

"Our defense will be good and particularly our secondary is improved with experience and ability. The offense will be a question mark after graduation of a three year quarterback starter, John Mele and All-District fullback, Lionel Pointer, who gained 1,015 yards last year," said Coach Godfrey.

The Poets, under Godfrey, are a Pro-t, with tight end, flanker, and two running backs.

Last year the Poets lost their first five games. They then turned around and won the last five. The Poets beat Redlands, 15-14 in the final 13 seconds to win their third SCIAC title.

SCOUTING REPORT

Gary Knecht, in his first year as U. C. Riverside head coach, has a tough task before he can expect to improve on last season's 3-7 record. A five-year veteran of the UCR staff Knecht has to rebuild both the offensive and defensive lines which graduated.

Although he has 25 lettermen returning, Coach Knecht will depend on a blend of lettermen and J. C. transfers to make his offense go. Guards Ron Mehuron and Phil Cotton, tackles Marv Schultz and Phil Wheeler will provide the bulk of UCR's offensive experience.

Backfield hopefuls include Brian Kilpatrick, last year's number two quarterback, who seems to be the leading candidate at that position, plus Howard Pierce, Leon Braddock and J.C. transfer, Dan Boeis.

Defensively, the Scots must fill the vacancies left by the graduation of seven starters, including last year's MVP linebacker, Tom Bradiuo. The key to the UCR defense will be a group of lettermen, including Terry Haxton, Ron Roper, Bob Shock, and Steve Henry.

(All home games played at Mustang Stadium)

SCOUTING REPORT

Losing three of its last four games in 1969 turned an outstanding season into a mediocre one for Cal Poly, San Luis Obispo. Coach Harper believes that the success of his team depends on how well he and his staff can bring their young players along.

Tailback, Joe Nigos, is expected to challenge the school rushing record of 919 yards set last fall by Joe Acosta, who graduated. Nigos ran for 573 yards and averaged 5.8 yards per carry last year on the Mustang team that averaged 313.8 yards per game and 30.6 points per game. Coach Harper thinks that Nigos is a better back than anyone they will face on the opposition.

Dan Milan, who has shared the quarterbacking duties for the past two years in Coach Harper's dual quarterback Slot-T system, brings a career rushing average of 4 yards per carry into the 1970 season.

Poly's offensive backfield shapes up as being stronger than in 1969 due to better balance. The offensive line looks to be about the same and that's a definite plus since the team set many school rushing records in 1969. The defensive front will be manned by newcomers, while the secondary is solid with six returning lettermen.

SCOUTING REPORT

The Westerners will open the 1970 season with three away games. They open against the University of Hawaii, Sept. 19, then they go to the University of San Francisco, Sept. 26 and Chico State on Oct. 3.

This year the Westerners will be minus 19 seniors from last year's team, including Wayne Clark, drafted by the Chargers, and Paul Dunn, drafted by Cincinnati.

Gary Miller at center and Dennis Cole at tackle are the only starters back from the offensive line which will have to be developed early to provide the protection and open holes for a promising backfield.

Coach Braden will use various formations from the Basic I slot, an offense that produced a 35.6 average points per game in 1969. Defensively, he will use a basic 5-2 with a four deep secondary, triple stacks and oversifting.

SCOUTING REPORT

Last year Grambling posted its worst record in 10 years, winning only six games but they still drew in excess of 277,000 spectators from their coast to coast schedule. They led all NAIA and NCAA college division teams in attendance.

One of the brightest spots for the Tigers was their quarterback, Reed. His passing will augment a fine running attack built around All-American wingback, Frank Lewis and half-back Willie Anderson, both likely first round draft choices.

Only a sophomore, Reed weighs 225 pounds and stands 6'4". The young quarterback has fine passing accuracy and handles the ball well plus being a good tactician.

Grambling is expected to harvest its biggest pro bonanza this fall. No less than 20 seniors are being considered heavily by the professional ranks.

As usual, Grambling will have a great rush with plenty of straight-ahead blasting power and great pursuit of the passer.

The Tigers' offensive line promises to be big and tough led by their center All-American Bill Manning. In addition to their size, the Tiger offensive line is mobile and quite quick for their size.

Future Titan Opponents

The Titans of Cal. State, Fullerton are already planning for the future. They have, through the efforts of John Caine, the Athletic Director, and Head Coach, Dick Coury, scheduled some exciting football games for the Titans.

In 1971 the Titans open up against the Grambling Tigers at Anaheim Stadium.

In 1972 the Titans will travel to the Isle of Oahu to play the University of Hawaii. The U. of H. operates as an independent with an enrollment of 18,000 students. The University of Hawaii has had an outstanding football program under the direction of the Athletic Director, Paul Durham and head football coach Dave Holmes.

CSF also has scheduled two games with Weber State, of Ogden, Utah for '73 and '74. The Weber State, "Wildcats" belong to the Big Sky Conference. They have had outstanding football representation with a current student body of 10,000. The head football coach for the "Wildcats" is Sarkis Arsianian. Those same two years will see the coming of the powerful Cal. State, Long Beach to the schedule.

The Titan staff is making an attempt to secure the best possible football opponents for Orange County's only four-year football program and the future looks bright for exciting football.
